**Leadership at Los Angeles Department of City Planning**

Join us to hear from Vince Bertoni and Kevin Keller of City Planning. Bertoni leads the department as the Director and Keller serves as a Deputy Director. Both bring valuable experience to their positions and are critical to shaping the future of development in Los Angeles. City Planning is one of the most important departments to the development community and is currently leading major initiatives including the proposed Linkage Fee, Community Plan Updates, re:code LA and updating the local CEQA thresholds. CCA members are invited to join in what promises to be a productive and informative dialogue.
